

# Help us to improve your railway

During 15 – 16 May 1990, Docklands Light Railway will be making a survey of its users. The informal, quick interviews will be conducted by trained staff and the results will give us an accurate picture of our passengers.

The questionnaires will be treated with the strictest confidence, so whether you are a student or OAP – tourist or businessman, Docklands Light Railway is working to provide a better and more comfortable service for you!
